

CORONA SAFETY PRECAUTIONS

PLEASE OBSERVE THE FOLLOWING HYGIENE REGULATIONS:

1. You must wear a **FFP2 mask** which covers your mouth and nose as soon as you enter the KTM Motohall
2. We recommend disinfecting and washing your hands regularly.
3. People must maintain a distance of at least **two meters** from one other throughout the entire KTM Motohall.
4. Use the **specified routes** to get to your allocated place or to get to the sanitation facilities.
5. Please purchase your **admission ticket online** if possible.
If you purchase your ticket at the KTM Motohall, please use **contactless payment methods**.
6. A **free SARS-CoV-2 antigen rapid test** will be provided to each visitor with a valid ticket.

If you experience virus-related symptoms (FEVER, DRY COUGH, FATIGUE), stay at home and contact a health care professional or the emergency services
